A Report on Pharma rally on world Pharmacist Day

Organized By: Gautam College of Pharmacy

Date: September 25, 2023

Supported By: IQAC (Internal quality assurance cell)

Introduction: On World Pharmacist Day, the students of Gautam College of Pharmacy in Hamirpur organized a rally to raise awareness about the crucial role of pharmacists in healthcare and to advocate for the profession's recognition and respect.

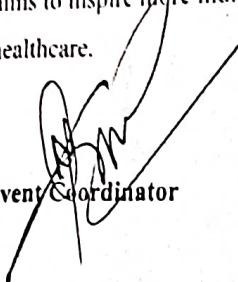

Event Details: The rally commenced at 10:00 AM from the college premises, where over 150 enthusiastic students, accompanied by faculty members and local pharmacists, gathered with banners and placards promoting the theme of the year, "Pharmacists: Strengthening Health system." The participants were dressed in white coats, symbolizing professionalism, and expertise in pharmacy. The route of the rally spanned from Gautam College of Pharmacy through the main streets of Hamirpur, ended at the Hamirpur city.

Key Messages: Throughout the rally, attendees reiterated the critical roles pharmacists fulfil, from medication dispensation to patient counselling. They underscored pharmacists' role in promoting rational drug use and fostering public health initiatives.

Completion: The rally concluded at the Gautam college of Pharmacy where a closing ceremony highlighted speeches from faculty members and senior students. Speakers emphasized the evolving landscape of pharmacy practice and the enduring significance of pharmacist-patient relationships.

Conclusion: The Pharma Rally during Pharmacist Week at Gautam College of Pharmacy, Hamirpur, was a resounding success. It not only highlighted the indispensable role of pharmacists in the healthcare system but also fostered a sense of community involvement and responsibility towards health and well-being. The event was a testament to the dedication of the pharmacy students and faculty in promoting health awareness and advancing the profession. Gautam College of Pharmacy plans to make the Pharma Rally an annual event, with hopes of expanding its reach and impact in the coming years. Through continued efforts, the college aims to inspire more individuals to recognize and appreciate the critical role of pharmacists in healthcare.
