World Pharmacists Day 2024 Report

Introduction:

The World Pharmacists Day is a global celebration of the pharmacy profession, which is observed on September 25th every year. The day aims to recognize the significant contributions of pharmacists in ensuring public health and well-being. The pharmacy profession has evolved over the years, and pharmacists are now considered essential healthcare professionals who play a vital role in patient care.

Gautam College of Pharmacy, Hamirpur, celebrated the World Pharmacists Day 2024 with great enthusiasm and zeal. The event was organized by the college's Department of Pharmacy and was attended by students, faculty members. The day-long event was aimed at promoting the role of pharmacists in healthcare delivery and highlighting their contributions to the society.

The celebration of World Pharmacists Day is a unique opportunity for pharmacists and students to come together and share knowledge, experiences, and best practices. It is also a platform for promoting the importance of pharmacist services and encouraging students to pursue a career in pharmacy. The event provided a unique opportunity for students to learn from experts and network with colleagues.

The theme of this year's World Pharmacists Day was "Pharmacists: Meeting global health needs." The theme emphasizes the importance of pharmacists in meeting global health challenges, such as antimicrobial resistance, vaccination, and medication adherence. The event was designed to promote awareness about the importance of pharmacists in healthcare delivery and to highlight their contributions to public health.

In this report, we will provide an overview of the events that were organized during the World Pharmacists Day 2024 at Gautam College of Pharmacy. The report will highlight the various
