QUALITY AUDIT REPORT
OF
GAUTAM COLLEGE OF PHARMACY
HAMIRPUR (HIMACHAL PRADESH)

2023-2024

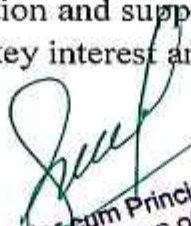

ACKNOWLEDGEMENT

We would like to express my sincere gratitude to the Managing Director, Principal, and the entire team of Gautam College of Pharmacy, Hamirpur, Himachal Pradesh, for giving us the opportunity to be involved in the recent Quality Audit.

The Quality Audit Report is a testament to the hard work and dedication that each member of our institution has put into maintaining and enhancing our educational standards. Your commitment to excellence is evident in the thoroughness of the audit process and the valuable insights provided in the report.

We appreciate the time and expertise that went into this evaluation, as it will serve as a guiding framework for our continuous improvement. The recommendations outlined in the report will be instrumental in helping us achieve our goals and elevate the quality of education we provide.

We received full co-operation and support from the principal and staff members of the college. They took key interest and give valuable inputs during the course of the study.

CERTIFICATE

This is to certify that a quality audit has been conducted by Shree Bala Ji Enterprises for the fiscal year 2023-2024. The audit was carried out at our facility, where we meticulously reviewed our processes, products, and compliance with industry standards.

We confirm that the findings of the quality audit are true and accurate to the best of our knowledge. The audit assessed various parameters to ensure that our operations meet the highest standards of quality and efficiency.

We appreciate the efforts of all personnel involved in this audit process and are committed to continuous improvement in our quality management systems.

INTRODUCTION

Gautam College of Pharmacy was established in 2019 under the aegis of the Gautam Girl's Management Committee Hamirpur. GCOP is situated at the very core of Hamirpur, Gautam College of Pharmacy is an up-marketed institution that exemplifies excellence and novelty in Pharmaceutical sectors: To Develop and Empower Excellence in Pharmaceutical Education.

Our highly qualified faculty members are genuinely devoted to maintaining a vibrant academic atmosphere & helping student in each and every aspect as much as possible. Besides excellence in academics, Gautam College of Pharmacy understands the involvement of industry interactions for the overall growth of students and thus lays emphasis on it.

Gautam College of Pharmacy offers courses in D. Pharmacy, B. Pharmacy, and M. Pharmacy (Pharmaceutical Chemistry and Pharmaceutics) specializations.

The environment at Gautam College of Pharmacy enables students not only to come out with flying colours in their classroom but also to develop as a well-qualified pharmacist who are ready to succeed in the field and help society.

VISION

The vision of Gautam College of Pharmacy in Hamirpur is to establish itself as the most desired college of pharmacy with a global reputation, producing proficient and socially conscious pharmacists who are dedicated to excellence.

MISSION

1. Equip facilities and setup conditions necessary for advanced pharmaceutical education, technical training.
2. Take "Innovation, Research and Development" as the guiding principle, and strive to be a showcase base for teachers and students to display their achievements.
3. With industries, universities and hospitals in close collaboration, opportunities like exposure and entrepreneurship are greatly encouraged and we also ensure the best placement opportunities.
4. Training students to be whole persons, who not only do work in the pharmaceutical industry but know no colour lines.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The institute has been actively pursuing quality assurance in academic and administrative matters through IQAC, which was established in 2021 as per the guidelines of statutory bodies. IQAC is involved in planning, guiding and monitoring Quality Assurance and Quality Enhancement activities.

OBJECTIVES OF THE IQAC

- To achieve excellence in teaching-learning, research, innovation and overall development of the institute through quality enhancement.
- To ensure standardization as well as the systematization of procedure.
- To set quality performance indicators in domains of education, research and administration pertaining to departments/programs and other units of the Institution.
- To evolve and implement stakeholders' feedback assessment.
- To facilitate periodic academic and administrative audit.
- To ensure learning outcomes periodically and record the improvement through various activities.

STRATEGIES AND PROCESSES FOR QUALITY ASSURANCE

- Institutional academic calendar and its adherence
- Course File Structure
- Academic readiness
- Administrative and Academic Audit.
- Stakeholders' Feedback SOPs.
- MST and assignment structure and evaluation guidelines.
- Weak and Bright Students Policy
- Mentor Form and guidelines.
- Awareness Programs, expert talks and workshops.
- MOUs and Tie-ups with other institutes
- Gender Audit
- Ensures framing/revising and attainment of COs, POs, PEOs and PSOs
- Ensure the execution of Green Audit and energy audit.

REVIEWING OF TEACHING LEARNING PROCESS, STRUCTURES & METHODOLOGIES OF OPERATIONS

- Conduct Academic Readiness Audit
- Conduct Administrative Audit

Director cum Principal
Gautam College of Pharmacy
Hamirpur (H.P.)

- Departments act on stakeholder feedback in accordance with policy.
- Syllabus coverage as per the lecture plan.
- Beyond the syllabus topics are covered properly.
- Quality of reference material.
- Conduct Academic Audit
- Conduct Gender Audit
- Course files preparation
- Weak and bright students' identification and action taken.
- Record of subject wise attendance.
- Development of latest skills.

LEARNING OUTCOMES AS THE RESULT CONTINUOUS EFFORTS AND MONITORING:

- Academic performance of the students
- Participation of students in various competitions
- Exposure to the foreign Universities
- Placements
- Add on/ Certification/Value added programs
- Skill enhancement

RECORDS THE INCREMENTAL IMPROVEMENT IN VARIOUS ACTIVITIES AND TO MENTION FEW OF THEM ARE:

- Placements percentage
- No. of Doctorate and UGC/NET qualified Faculty
- Add on/ Certification/Value added programs for students
- Enrolment Percentage
- Collaborations and Linkages
- Consultancies and Grants

ROLES AND RESPONSIBILITIES

IQAC Chairperson

- Overall supervision of activities of IQAC.
- To ensure and conduct IQAC meetings /events and approve the minutes of it.
- To develop short term and long-term quality assurance Strategic Plan and ensure its implementation and monitoring to achieve success.

[Handwritten Signature]
 Director (Academic) and Quality
 Gautam College of Pharmacy
 Hamirpur (H.P.)

- Communication of decisions taken during IQAC meetings to the management.
- Approval authority for SOPs.
- To ensure proper conduct of Academic and Administrative Audits and presentation of reports to management.

IQAC Coordinator

- To ensure active participation of all members in meetings/deliberations.
- To ensure adherence of IQAC functioning as per SOPs and updating of SOPs as and when required.
- To coordinate activities of IQAC.
- Assist the chairperson IQAC in development of Quality Radars (QRs) and Ranking parameters per semester.
- Preparation of various formats.
- Preparation of audit schedule.
- Summary report preparation of the various academic and administrative audits.
- Document preparation and to ensure readiness for the IQAC events, meetings & special projects.

IQAC Members

- Attend the meetings regularly.
- Will actively participate in discussions and give their valuable inputs and suggestions for improvement in quality of various parameters in the institute.
- Ensure adherence of academic calendar, standardized formats and policies in their respective departments.
- Contribute actively to academic audits.
- Checking of course files.
- Will actively participate in all activities of IQAC and put efforts in fulfilling the objectives and functions of IQAC for quality improvement.

College IQAC functions vigorously in improving the quality of education, teaching learning process and learning outcomes by internalizing policy and procedures of these quality strategies

IQAC incorporates SWOC analysis of the entire quality system which are key aspect based. The quality strategies and processes used are:

Director in Charge
Gautam College of Pharmacy
Hamirpur (H.P.)

To promote pedagogical innovation and encouraging innovative teaching practices among the staff and staff development.

- To promote use of e-resources for teaching and Learning Management System
- To participate in NAAC Accreditation, NIRF & Ranking Survey
- To Monitor student progress & mentoring system.
- To organize relevant Seminars, Workshops, Industrial and Educational visits for all students.
- To strengthen Career Guidance and Placement Cell.
- To encourage students to excel in various sports events.
- To motivate Faculty Members in Publication of Journals of International standards.
- To implement Feedback Systems.
- To Promote entrepreneurial drive and create initiatives among students.
- To Engage Students in constructive and sensitive services to community.
- To Sensitize students towards national causes.
- To Develop linkages with Industry and National/International Research Institutions.
- To facilitate Collaborations with Industries.
- To facilitate expansion of revenue sources through consultancy.
- To conduct regular FDP's.
- To facilitate Faculty to apply to funding agencies for research projects.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

IQAC Constitution: 04-02-2021

Internal Quality Assurance Cell (IQAC) has been established with the following:

Goals: To develop a system for deliberate, trustworthy, and impactful action to raise the institution's administrative and academic standards. To encourage institutional functioning policies that aim to improve quality by instituting best practices and internalizing a culture of quality.

Strategies: IQAC shall evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions in India and abroad.

Principal
Gautam College of Pharmacy

2. PRE-AUDIT PHASE

A pre-audit meeting is a prerequisite for the Audit; it helps to meet and discuss the schedule and documents required during the audit. The pre-audit meeting was conducted at Gautam College of Pharmacy, Hamirpur in Jan 2024. During the meeting, introduction of team members, scope and objectives of the audit were discussed.

Management Commitment

The Management of college has shown significant commitment towards Quality Auditing during the pre-audit meeting. They were ready to encourage all green activities. It is decided to promote all activities which are environment friendly such as awareness programmes on the environment, campus farming, planting more trees on the campus etc., after the Quality Auditing.

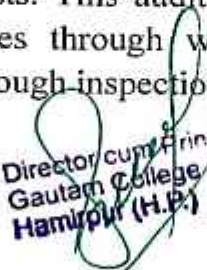

The college administration is vital to the process of realizing campus sustainability and college policy is an essential instrument for any substantial change in campus environment

Scope and goals of Quality Auditing

A clean and healthy environment aids effective and provides a conducive learning environment. There are various efforts around the world to address environmental education issues. Quality auditing is one among them, especially for educational institutions.

Once a baseline is established, the data can then provide a launching point for further action in campus greening. Data already available will let the college compare its programs and operations with those of peer institutions, thus identifying areas that need improvement and therefore setting priorities for the implementation of future projects.

This Tins data will also provide a basis for calculating tile economic benefits of resource conservation projects by establishing the current rates of resource use and their associated costs. This audit initiative focused initially on educating colleges and universities through workshops, guidebooks, fact sheets and ensuring compliance through inspections and self-audits.

Director cum Principal
Gautam College of Pharmacy
Hamirpur (H.P.)

ONSITE AUDITS

- **WATER AUDIT**
- **ENERGY AUDIT**
- **WASTE MANAGEMENT AUDIT**
- **GREEN CAMPUS AUDIT**
- **ENVIRONMENT AUDIT**

AUDIT METHODOLOGY AND APPROACH

The methodology and approach approved for the study involves various steps

- Review of Document and records
- Review of Policies
- Review of Moll
- Review of various measures implemented
- Site Walkthrough

Green Campus Policy

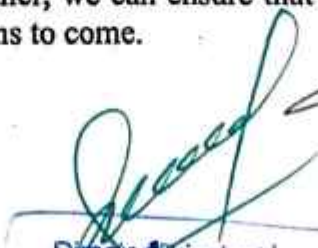

Introduction

At Gautam College of Pharmacy, we recognize the vital role that a healthy environment plays in fostering academic excellence and community well-being. Nestled amidst lush greenery and vibrant plant life, our campus is uniquely positioned to lead by example in sustainability and environmental stewardship. The Green Campus Policy is designed to promote eco-friendly practices that not only enhance the beauty of our surroundings but also contribute to the health of our planet. By integrating sustainable initiatives into our daily operations, we aim to create an educational environment that inspires students, faculty, and staff to embrace a culture of sustainability.

Key Points of the Green Campus Policy

1. **Environmental Conservation:** Protect and preserve the natural habitats surrounding the campus by implementing conservation practices that support local biodiversity.
2. **Sustainable Resource Management:** Optimize energy and water usage through efficient systems and technologies, minimizing waste and promoting recycling across all campus facilities.
3. **Green Infrastructure:** Develop and maintain green spaces, including gardens and tree planting initiatives, to enhance the aesthetic appeal of the campus while improving air quality and providing habitats for wildlife.
4. **Eco-Friendly Transportation:** Promote sustainable transportation options such as walking, cycling, and public transit by providing necessary infrastructure and incentives for students and staff.
5. **Waste Reduction Initiatives:** Establish comprehensive waste management practices that prioritize recycling, composting, and responsible disposal of hazardous materials to minimize landfill contributions.
6. **Education and Awareness:** Incorporate sustainability into the curriculum and host workshops, seminars, and events aimed at raising awareness about environmental issues and encouraging eco-friendly behaviours within the college community.
7. **Community Engagement:** Collaborate with local environmental organizations and community members to promote sustainability initiatives that extend beyond the campus, fostering a sense of shared responsibility for our environment.
8. **Sustainable Procurement Practices:** Commit to sourcing products and materials that are environmentally friendly, ethically produced, and support local businesses, thereby reducing our carbon footprint.

By adopting this Green Campus Policy, Gautam College of Pharmacy aims to cultivate a culture of sustainability that not only enhances the educational experience but also contributes positively to the environment. Together, we can ensure that our campus remains a beautiful and thriving ecosystem for generations to come.

Energy Conservation Policy

Introduction

At Gautam College of Pharmacy, we are committed to fostering an educational environment that prioritizes sustainability and responsible resource management. Recognizing the pressing need to address climate change and reduce our carbon footprint, the Energy Conservation Policy outlines our dedication to implementing energy-efficient practices across campus. By promoting energy conservation, we aim to create a more sustainable future while enhancing the overall efficiency of our facilities. This policy not only supports our commitment to environmental stewardship but also encourages students, faculty, and staff to actively participate in reducing energy consumption.

Key Points of the Energy Conservation Policy

1. **Energy Efficiency Assessment:** Conduct regular audits of campus facilities to identify areas for improvement in energy efficiency and implement necessary upgrades.
2. **Use of Renewable Energy:** Explore opportunities for integrating renewable energy sources, such as solar panels and wind turbines, to reduce reliance on non-renewable energy.
3. **Awareness and Education Programs:** Develop training sessions and workshops aimed at educating the college community about energy conservation practices and the importance of reducing energy consumption.
4. **Sustainable Building Practices:** Ensure that all new construction and renovation projects comply with green building standards that prioritize energy efficiency and sustainability.
5. **Behavioural Change Initiatives:** Encourage the college community to adopt energy-saving habits, such as turning off lights and unplugging devices when not in use, through awareness campaigns and challenges.
6. **Collaboration with Stakeholders:** Engage with local utility providers and environmental organizations to stay informed about best practices in energy conservation and available resources.
7. **Monitoring and Reporting:** Establish a system for tracking energy consumption across campus, setting measurable goals for reduction, and regularly reporting progress to the college community.

By implementing this Energy Conservation Policy, Gautam College of Pharmacy aims to lead by example in promoting sustainable practices that benefit both our campus and the wider community. Together, we can make a significant impact on energy conservation and contribute to a healthier planet for future generations.

Waste Management Policy

Introduction

At Gautam College of Pharmacy, we are dedicated to promoting environmental sustainability and responsible waste management practices. Our Waste Management Policy aims to minimize waste generation, promote recycling, and ensure the safe disposal of hazardous materials. By fostering a culture of sustainability within our college community, we seek to reduce our ecological footprint and contribute to the health of our planet. This policy serves as a guiding framework for all students, faculty, and staff, encouraging proactive participation in waste reduction initiatives and the responsible management of resources.

Key Points of the Waste Management Policy

1. **Waste Reduction Strategies:** Implement programs aimed at reducing waste at the source, including initiatives to minimize paper usage and encourage digital alternatives.
2. **Recycling Programs:** Establish comprehensive recycling programs that facilitate the proper separation and disposal of recyclable materials, such as paper, plastics, metals, and glass.
3. **Hazardous Waste Management:** Develop protocols for the safe handling, storage, and disposal of hazardous materials, particularly in laboratory settings, to protect both human health and the environment.
4. **Composting Initiatives:** Promote composting of organic waste generated on campus, such as food scraps and yard waste, to reduce landfill contributions and enhance soil health.
5. **Education and Awareness Campaigns:** Conduct regular training sessions and awareness campaigns to educate the college community about waste management practices, the importance of recycling, and sustainable behaviours.
6. **Collaboration with Local Authorities:** Partner with local waste management authorities to ensure compliance with regulations and to access resources for effective waste disposal and recycling.
7. **Monitoring and Reporting:** Establish metrics for tracking waste generation and recycling rates, with regular reporting to the college community to highlight progress and areas for improvement.
8. **Sustainable Procurement Practices:** Encourage sustainable purchasing decisions that prioritize eco-friendly products and materials to reduce overall waste generation.

The Waste Management Policy at Gautam College of Pharmacy underscores our commitment to environmental stewardship and sustainable practices. By implementing these key strategies, we aim to foster a culture of responsibility and awareness regarding waste management among students, faculty, and staff. Together, we can make significant strides toward reducing waste, enhancing recycling efforts, and ensuring the safe disposal of hazardous materials. Through collective action and a shared commitment to sustainability, Gautam College of Pharmacy can serve as a model for environmental responsibility within our community and beyond. Let us work together to create a cleaner, healthier environment for future generations.

Dated 19/03/2021

Water Conservation Policy

Introduction

At Gautam College of Pharmacy, we recognize the critical importance of water as a vital resource for life, health, and sustainability. Our Water Conservation Policy is designed to promote responsible water use and management practices across our campus. As an educational institution, we are committed to fostering a culture of awareness and responsibility towards water conservation among students, faculty, and staff. By implementing effective strategies and encouraging sustainable behaviours, we aim to reduce water consumption, preserve local water resources, and contribute to the global effort to combat water scarcity. This policy serves as a guiding framework for our community to actively participate in water conservation initiatives and to ensure that future generations can enjoy this essential resource.

Key Points of the Water Conservation Policy

1. **Water Use Assessment:** Conduct regular assessments of water usage across campus facilities to identify areas for improvement and to establish baseline consumption metrics.
2. **Efficient Fixtures and Appliances:** Install water-efficient fixtures, such as low-flow faucets, toilets, and urinals, in all campus buildings to reduce water waste.
3. **Rainwater Harvesting:** Implement rainwater harvesting systems to collect and utilize rainwater for non-potable applications, such as irrigation and toilet flushing.
4. **Irrigation Management:** Develop a sustainable landscaping plan that includes drought-resistant plants and efficient irrigation systems, such as drip irrigation, to minimize water usage.
5. **Awareness and Education:** Provide ongoing education and training for students, faculty, and staff about the importance of water conservation and practical strategies for reducing water consumption.
6. **Leak Detection and Repair:** Establish a proactive maintenance program to regularly inspect campus plumbing for leaks and ensure prompt repairs to prevent water loss.
7. **Water-Saving Campaigns:** Launch awareness campaigns that encourage the college community to adopt water-saving habits, such as shorter showers and turning off taps when not in use.
8. **Monitoring and Reporting:** Track water consumption data regularly and report on progress towards conservation goals to maintain transparency and accountability within the college community.

The Water Conservation Policy at Gautam College of Pharmacy reflects our commitment to responsible stewardship of one of our planet's most precious resources. By implementing these key strategies, we aim to cultivate a culture of sustainability that empowers our community to take meaningful action towards conserving water. Through education, awareness, and collaborative efforts, we can significantly reduce our water consumption and contribute to the preservation of local ecosystems. As we work together to implement this policy, we not only safeguard our water resources but also set an example for others in our community to follow. Let us unite in our efforts to ensure a sustainable future where clean and accessible water is available for all.

Managing Director

• REVIEW OF BEST PRACTICES IMPLEMENTED

During the Quality Audit study, it was observed the college has taken various initiatives in conserving natural resources that include:

- Quality Audit team including Management, Staff and Students
- Rain water storage system is adopted
- Use of push type taps in urinals to reduce water consumption
- Installation of LED tube lights to reduce electricity consumption
- Usage of LED/LCD monitors in all the computer labs.
- Switching OFF lights and fans whenever not in use to save electricity
- Integration of Daylight in campus to reduce the need for energy
- Installation of sanitary dispensers for girls' personal hygiene
- Disposal of e-waste to the agency
- Many Indoor pot plantations were found to keep the campus green
- Encourage the use of bicycles and electric vehicles
- Use of Digital display boards to reduce the plastic banners

• SITE WALK THROUGH

Site walk through was conducted with staff members, students and audit team members. Staff and students have shown very keen interest in the data collection process and methods to be followed in field data collection. The staff and students have given inputs and suggestions for resource conservation as well.

• INTERVIEWS

To collect various data, information and operating patterns, interviews were conducted with college staff (Principal, teaching staff, non-teaching staff) and students. The consolidated information from interviews is given in following sub-section.

• Tentative schedule of college:

Monday to Saturday: 9:30 AM to 5:00PM

Total Staff: 29

Total Students: 357

Principal
Gautam College of Pharmacy
Hamirpur (H.P.) - 177001

• WATER AUDIT

Gautam College of Pharmacy, recognize the critical importance of water conservation in promoting sustainability and protecting our environment. They have implemented a range of water conservation facilities and initiatives designed to minimize water usage and promote awareness among our students, staff, and the community.

Rainwater Harvesting System

The college has installed a comprehensive rainwater harvesting system that collects and stores rainwater from rooftops and other surfaces. This system not only reduces reliance on **Principal** municipal water supply but also helps recharge

Principal
Gautam College of Pharmacy
Hamirpur, (H.P)-177001

groundwater levels. The harvested rainwater is utilized for irrigation, flushing toilets, and other non-potable uses within the campus.

Water-Efficient Fixtures

To reduce water wastage, the college has upgraded facilities with water-efficient fixtures, including low-flow faucets, dual-flush toilets, and sensor-operated taps in restrooms and laboratories. These fixtures significantly decrease water consumption without compromising functionality.

Principal
Gautam College of Pharmacy
Hamirpur (H.P.)-177001

Awareness Campaigns

Gautam College of Pharmacy actively engages students and staff through awareness campaigns focused on the importance of water conservation. Proper rallies are organized to educate the college community about sustainable practices and encourage responsible water usage.

- **DRINKING WATER SYSTEM:**

To provide drinking water facility, RO plant is installed in the campus.

[Signature]
Principal
Gautam College of Pharmacy
Hamirpur (H.P)-177001

DISPLAY OF FLEX TO SAVE WATER

College uses proper flex to aware all the students and faculty members to save water.

Principal
Gautam College of Pharmacy
Hamirpur (H.P.)-177001

- **ENERGY AUDIT:**

Alternate Source of Energy:

Picture of Generator available at Gautam College of Pharmacy

Gautam College of Pharmacy is fully aware of the dire need for dependable and sustained energy sources. This is the reason we have invested in a state-of-the-art diesel generator set to serve as an alternate power source for our campus.

- **Day light integration**

During the audit phase classrooms, staff-rooms, computer lab, seminar hall, canteen dining hall, indoor stadium and library areas were surveyed for illumination levels and fresh air circulation. It was observed most of the rooms are well ventilated and day-light integrated. Sample photos of daylight integrated and ventilated areas

Usage of LED tube lights

In order to save electricity various measures have been adopted in the college. Usage of energy saving LED fixtures are used within the campus at various locations. Sample photos of LED fixtures used in the college.

• WASTE MANAGEMENT AUDIT:

Waste Poses a significant threat to the environment, contributing to pollution and harming the earth's ecosystems. Gautam College of Pharmacy recognizes the importance of responsible waste management and is committed to implementing sustainable practices to minimize its environmental impacts.

Waste materials in colleges are divided into two categories, i.e., biodegradable and non-biodegradable as wet waste and dry waste respectively.

Principal
Gautam College of Pharmacy
Hamirpur (H.P.)-177001

1. Solid & Liquid Waste Management:

To promote responsible waste disposal, Gautam College has introduced a system of separate dustbins placed strategically throughout the campus. These dustbins are color-coded to facilitate easy identification and encourage proper waste segregation:

- **Blue Dustbins:** Reserved for recyclable materials such as plastic bottles, glass containers, metal cans, and paper products. By encouraging the recycling of these materials, we aim to minimize the use of raw resources and reduce environmental pollution.

- **Red Dustbins:** Used for non-recyclable and hazardous waste, including items like broken glass, used batteries, and other materials that require special disposal methods. This ensures that such waste is handled appropriately to prevent harm to both the environment and public health.

2. **E-Waste Management:** The Electronic waste generated on the campus, includes computer systems and laboratory equipment's. Outdated computer system is repaired or updated, while damaged system and electronic components are disposed of through the e-waste scrap dealer.

3. **Biomedical Waste Management:** Committed to maintaining the highest standards of safety and environmental responsibility, Gautam College of Pharmacy (GCOP) has prepared a Suraksha Bio Sanitizer for

Principal
Gautam College of Pharmacy
Hamirpur (H.P.)-177001

comprehensive biomedical waste management services. This ongoing collaboration ensures that all waste generated by GCOP's laboratories and facilities is handled and disposed of in accordance with all regulatory guidelines. Suraksha Bio Sanitizer provides GCOP with specialized training for faculty and staff, a streamlined collection and transportation system, and environmentally sound treatment and disposal methods. This partnership reinforces GCOP's dedication to creating a safe and sustainable learning environment for its students, faculty, and staff.

4. **Hazardous Chemical Waste Management:** Proper disposal of hazardous chemicals is ensured through designated containers in laboratories. Acids and alkalis are diluted and washed down drains with excess water. Waste from the microbiology labs, chemistry labs and other areas are carefully discarded through eco friendly channels, ensuring minima impact on the sewage system. By implementing these waste management practices, the college contributes to environment protection and sustainability.

- **E- WASTE MANAGEMENT**

The college has a memorandum of understanding (MoU) with an e-waste management agency. E-waste produced in the college is collected and stored in a separate room. All e-waste generated is deposited in this designated e-waste storage area.

- **PLASTIC BAN**

Plastic Free Campus

Gautam College of Pharmacy, is committed to promoting sustainability and environmental stewardship as part of Green Campus initiative. One of the key components of this initiative is the ban on single-use plastics across our campus. This proactive measure aims to reduce plastic waste, promote eco-friendly practices, and foster a culture of environmental responsibility among students, faculty, and staff.

Memorandum of Understanding (MoU)

Between

Gautam College of Pharmacy

and

Ellora Technology Private Limited

Subject: Disposal of E-Waste

This Memorandum of Understanding (MoU) is entered between **Gautam College of Pharmacy** (hereinafter referred to as "Gautam College") 'First party' and **Ellora Technology Private Limited** (hereinafter referred to as "Ellora Technology Pvt. Ltd.") 'Second Party' on 24/03/2023.

1. Purpose:

The purpose of this MoU is to establish a partnership between Gautam College of Pharmacy and Ellora Technology Pvt. Ltd. for the environmentally responsible disposal of electronic waste (E-waste) generated by Gautam College of Pharmacy.

2. Scope of Work:

Ellora Technology Pvt. Ltd. agrees to provide E-waste disposal services to Gautam College of Pharmacy in compliance with all applicable laws and regulations. This includes the collection, transportation, recycling, and disposal of E-waste generated by Gautam College of Pharmacy. The material will include as all forms of e waste or e scrap collected out of the discarded electronic equipment's of all kinds but not limited to IT equipment's like printer, printer cartridges, faxes, copiers, spares but also include desktops, servers, network personal equipment's, monitors, liquid crystal displays, servers, electronic storage media, all accessories and components

3. Responsibilities:

3.1 Gautam College of Pharmacy:

Provide accurate information regarding the quantity and type of E-waste generated.

Ensure the segregation and proper storage of E-waste in designated areas.

Principal
Gautam College of Pharmacy
Hamirpur (H.P.)-177001

Cooperate with Ellora Technology Pvt. Ltd. in scheduling pickups and facilitating the disposal process.

3.2 Ellora Technology Pvt. Ltd. :

Provide safe and environmentally friendly disposal methods for E-waste.

Comply with all relevant laws and regulations related to E-waste management.

Issue necessary documentation certifying the proper disposal of E-waste.

4. Duration:

This MoU shall be effective from the date of signing and shall remain in force for a period of 5 Years. Either party may terminate this agreement by giving notice period written notice to the other party.

5. Confidentiality:

Both parties agree to maintain the confidentiality of any proprietary or sensitive information shared during the course of this partnership.

GREEN CAMPUS MANAGEMENT

The college maintains clean and green pot plantations within the campus. The maintenance team take care of the environment and ensure to keep the surroundings clean. They maintain all the plantations by employing the cleanliness and watering regularly. The rain water stored in sumps are used for watering the plants.

PLANTATIONS AND LAWN

The list of plants with scientific names are given below:

PEDESTRIAN FRIENDLY PATHWAYS:

Vehicle parking space is available at the main entrance of the college campus, facilitating convenient access for students and staff. The pedestrian-friendly pathways ensure a comfortable walking experience for all. The internal roads are adorned with trees and well-lit, enhancing the aesthetic appeal and safety of the campus environment. The maintenance committee diligently ensures the upkeep of these pathways and amenities, contributing to a pleasant and well-maintained campus atmosphere.

Director/Principal
Gautam College of Pharmacy
Hamirpur (H.P.) 177001

At Gautam College of Pharmacy, we prioritize the safety and comfort of our students, faculty, and visitors by developing pedestrian-friendly pathways throughout our campus. Recognizing the importance of walkability in fostering a vibrant and engaging educational environment, we have designed our pathways to enhance accessibility, promote health, and encourage social interaction.

Safety is a top priority in our pathway design. Key features include:

- **Adequate Lighting:** Well-lit pathways enhance visibility during evening hours, ensuring that students feel secure while navigating the campus.

Principal
Gautam College of Pharmacy
Hamirpur, HP-177001

- **Clear Signage:** Informative signs help guide pedestrians and provide essential information about campus facilities, directions, and safety protocols.
- **Regular Maintenance:** Our pathways are regularly maintained to prevent hazards such as uneven surfaces, debris, or overgrown vegetation, ensuring a safe walking environment.

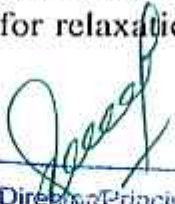

Green Spaces and Aesthetics

Director/Principal
Gautam College of Pharmacy
Hamirpur (H.P.)-177001

We believe that a pleasant walking environment enhances the overall campus experience. Our pathways are integrated with green spaces, including

landscaped gardens, trees, and seating areas. These features not only beautify the campus but also provide spaces for relaxation and social interaction among students and faculty.

LANDSCAPIN WITH TREES AND PLANTS

Gautam College of Pharmacy, recognize the importance of a healthy and vibrant environment that fosters both academic excellence and personal well-being. The landscaping initiative, particularly around the girls' hostel and throughout the campus, is designed to create a lush green oasis that not only enhances the visual appeal of surroundings but also promotes a sustainable and eco-friendly atmosphere for our students.

Principal
Gautam College of Pharmacy
Hamirpur (H.P) -177001

Landscaping Around the Girls' Hostel

The girls' hostel is a vital part of campus community, and our landscaping efforts here are particularly focused on creating a safe and nurturing environment:

- **Shade and Comfort:** Strategically planted trees provide shade and comfort for students, making outdoor areas more enjoyable during hot weather.
- **Gardens for Relaxation:** Beautiful flower beds and garden spaces have been established to offer students a peaceful retreat from their studies, fostering mental well-being.

RECOMMENDATION

- Paperless office can be adopted.
- Awareness programs and trainings for newly joined students.
- Conducting Seminars and Workshops regularly to make the campus green.
- Conducting competition amongst students to promote ideas in sustainability initiatives.
