Further she added to the session that the attributes like postures, gestures and your body language plays a crucial role while introducing. The speaker also highlighted on the aspects of how to get prepared for the interviews. She further spotted the major two components to be taken care while introducing yourself are try concentrating on the strengths and positive attributes which can attract the interviewer. Moreover she flashed the light on the things like start introduction with Name, followed by your current educational qualification then speak about the strengths more and when asked speak about the weaknesses which you're working upon to convert into your strengths. And while closing the introduction you should always say, thank you, that's all about me'. working upon to convert into your strengths. And while closing the introduction you should always say, thank you, that's all about me'. Further she spotlighted on the resume writing and what attributes your resume should contain. Your resume must have the title to it and it should never have I, Me and Myself in it. Resume should always be of one page. Always bold out the important contents of resume. And she concluded that your resume always speaks about you, before actually you get into the trend.

Venue: Himalayan group of colleges, Kala amb Sirmour H.P

## Introduction:

Gautam College of Pharmacy participated in the Himachal Pradesh Technical University (HPTU) Annual Youth Festival 2023, held at the Himalayan Group of Institute, Kala Amb. The event provided a platform for students to exhibit their talents, engage in cultural exchange, and participate in various competitions. This report outlines the visit and performance of Gautam College of Pharmacy at the festival.

The students were very much excited as they were longing to perform and visit some other college from long time and this was the opportunity. On 25<sup>th</sup> October 2023 group of participants stated journey to Himalayan group of colleges kala amb for youth festival participation. About 21 students which include 11 boys, 10 girls & 2 faculty members visited to Himalayan college of Pharmacy. Gautam college of Pharmacy organized a special bus from the local transporters so that the students stay in comfort while travelling. The Journey is about 6 hours long. Students are full of enthusiasm as they travelled whole journey by singing songs and dancing. At 6:00pm we reached at the campus of Himalayan group of colleges. They welcomed us and arrange out three day stay at their boys and girls' hostels.

On day first, the event is started by lamp lighting by the dean academics of HP technical university Prof (Dr) Jaidev. He enlightened the audience with his speech and explained the importance of cultural events in student life. He also offered the cheque of rupees one lakh to the college management for organising such a big event. Afterwards the event is heat up with the energetic performances of the participants.

On second day, the local MLA of kala amb visited the event as a chief guest and enjoy the vibe of the cultural activities performed by the students from all over the state.

The event activities are as follows

- 1) Solo Dance (Classical theme)
- 2) Solo dance free style
- 3) Group dance Folk based theme
- 4) Group dance free style
- 5) Patriotic theme based group dance
- 6) Theme based skit/mime

Around 35 colleges and 500 participants were visited to the kala amb. The college has very good canteen and security facilities.

On Last day, the competition was very tough. It was very difficult for the judges to announce the positions to participants as the performances are very outstanding. The chief justice of the high court was the chief guest of the last day. Winners are felicitated by the trophies.

Gautam College of Pharmacy  
Hamirpur (H.P.)

Gautam college of Pharmacy bagged first position in group dance folk and it was hot news in their local newspapers because there was a tough competition in folk dance. The participants of the Gautam college of Pharmacy give their best. Though the participants skit was little bit sad as they don't get any position but still they all happy as a team.

The college teachers enjoy the live show of our activity performance by YouTube link. On the night of 28<sup>th</sup> October 2023, we packed our bags and travelled back to our destination. The next day college management cheer up the students for their wonderful performance.

**Conclusion:**

The participation of Gautam College of Pharmacy in the HPTU Annual Youth Festival 2023 at Himalayan Group of Institute, Kala Amb was marked by enthusiastic involvement in cultural performances, competitions, workshops, sports activities, and social initiatives. The students effectively showcased their talents, gained valuable insights, and contributed to the overall success of the festival while upholding ethical considerations throughout their participation. The event served as a platform for holistic development, cultural exchange, and community engagement for the students of Gautam College of Pharmacy.

## A Report on Pharma rally on world Pharmacist Day

Organized By: Gautam College of Pharmacy

Date: September 25, 2023

Supported By: IQAC (internal quality assurance cell)

**Introduction:** On World Pharmacist Day, the students of Gautam College of Pharmacy in Hamirpur organized a rally to raise awareness about the crucial role of pharmacists in healthcare and to advocate for the profession's recognition and respect.

**Event Details:** The rally commenced at 10:00 AM from the college premises, where over 150 enthusiastic students, accompanied by faculty members and local pharmacists, gathered with banners and placards promoting the theme of the year, "Pharmacists: Strengthening Health system." The participants were dressed in white coats, symbolizing professionalism, and expertise in pharmacy. The route of the rally spanned from Gautam College of Pharmacy through the main streets of Hamirpur, ended at the Hamirpur city.

**Key Messages:** Throughout the rally, attendees reiterated the critical roles pharmacists fulfil, from medication dispensation to patient counselling. They underscored pharmacists' role in promoting rational drug use and fostering public health initiatives.

**Completion:** The rally concluded at the Gautam college of Pharmacy where a closing ceremony highlighted speeches from faculty members and senior students. Speakers emphasized the evolving landscape of pharmacy practice and the enduring significance of pharmacist-patient relationships.

## Report on One day Yoga celebration at Gautam college of Pharmacy

Date: 19/03/2024

Location: Auditorium, Gautam college of pharmacy, Hamirpur. (H.P) 177001

In Collaboration with: Morarji Desai national institute of yoga, Ministry of Ayush, Govt of India, New Delhi & Career point university, Hamirpur

Yoga is a holistic practice that originated in ancient India and has been practiced for thousand of years. The word "Yoga" comes from Sanskrit word "Yuj" which means to yoke or unite, symbolizing the connection between the mind, body and spirit. Yoga encompasses a wide range of physical, mental and spiritual practices that aim to promote overall well-being and harmony. Yoga is a versatile and adaptable practice that can be tailored to suit individual needs and goals. Its introduction to the world has had a profound impact on the health and wellness of countless individuals. Gautam college of pharmacy organized one day yoga camp in collaboration with Morarji Desai national institute of yoga, ministry of Ayush, govt of India, New Delhi & Career point university.

Morarji Desai national institute of yoga was established in the year 1970. It acts as the nodal agency for promotion and development of yoga across the India and is focused on yoga research, yoga therapy & yoga education. One day camp was conducted in blended mode both online & offline. World Famous Sanskari Yog guru Dr. Ram Avtar was the chief guest of the event. He addressed the students about the various benefits of yoga in student life. He also taught the students about increasing focusing power which will be beneficial in studies.

Yoga celebration commenced with a warm welcome address by the Director cum principal Dr. Sanjay Kumar secretary of Gautam group of colleges Dr Rajneesh Gautam, highlighting the significance of yoga in promoting physical, mental, and spiritual well-being. One day camp was conducted in blended mode both online & offline. World Famous Sanskari Yog guru Dr. Ram Avtar was the chief guest of the event. He addressed the students about the various benefits of yoga in student life. He also taught the students about increasing focusing power which will be beneficial in studies

This was followed by a series of yoga sessions conducted by certified yoga instructors, focusing on various asanas, breathing techniques, and meditation practices. The participants actively engaged in the yoga sessions, demonstrating their enthusiasm and commitment to embracing the ancient practice of yoga. The event provided an opportunity for students and faculty members to experience the benefits of yoga firsthand, including improved flexibility, stress relief, and overall health enhancement.

**Coordinator:** Mr. Akhil Moudgil

**Participants:** B. Pharmacy 1<sup>st</sup> year students, Gautam College of pharmacy

### **Introduction**

Gautam College of Pharmacy, Hamirpur, had the privilege of hosting a guest lecture on computing skills, delivered by Mrs. Deepika, Assistant professor (Computer Science) from Gautam group of colleges, Hamirpur (H.P)

The lecture aimed to equip pharmacy students with essential computing skills that are increasingly relevant in the pharmaceutical industry. The event was attended by over 100 students and faculty members, highlighting the importance of integrating technology with pharmaceutical education.

### **Objectives of the Lecture**

1. **Introduction to Computing Skills:** To provide an overview of essential computing skills relevant to pharmacy students.
2. **Importance of Computing in Pharmacy:** To highlight the significance of computing skills in the pharmaceutical industry.
3. **Practical Applications:** To demonstrate practical applications of computing in pharmaceutical research and practice.
4. **Career Opportunities:** To discuss career opportunities at the intersection of computing and pharmacy.

### **Key Points Covered**

1. **Basic Computing Skills:**
  - o Introduction to essential software such as Microsoft Office Suite (Word, Excel, PowerPoint).
  - o Importance of proficiency in these tools for documentation, data analysis, and presentations.
2. **Data Analysis and Management:**

- Basics of data analysis using Excel, including functions, formulas, and data visualization.
- Introduction to database management systems and their applications in managing patient records and research data.
- 3. **Programming Basics:**
  - Introduction to programming languages relevant to the pharmaceutical industry, such as Python and R.
  - Simple coding exercises to illustrate data manipulation and analysis.
- 4. **Bioinformatics:**
  - Overview of bioinformatics and its role in drug discovery and development.
  - Practical examples of how computing skills are used in genomics and proteomics.
- 5. **Simulation and Modeling:**
  - Introduction to simulation software used in pharmacokinetics and pharmacodynamics.
  - Demonstration of modeling techniques to predict drug interactions and efficacy.
- 6. **Digital Health and Telemedicine:**
  - Discussion on the rise of digital health technologies and telemedicine.
  - Role of computing skills in developing and implementing digital health solutions.

## Interactive Session

The lecture included an interactive Q&A session where students posed questions about the practical applications of computing skills in their studies and future careers. Mrs. Deepika provided insightful answers and encouraged students to pursue further learning in computing to enhance their professional skill set.

## Conclusion

The guest lecture was a resounding success, leaving students motivated and better informed about the importance of computing skills in the pharmaceutical industry. Mrs. Deepika's expertise and engaging presentation style made complex concepts accessible and relevant to the audience. Gautam College of Pharmacy looks forward to organizing more such lectures to continue bridging the gap between traditional pharmacy education and modern technological advancements.
